International Society for  
ECT and Neurostimulation

## 2026 ANNUAL MEETING AND ECT COURSE

### EXHIBITOR AND SPONSOR PROSPECTUS

**May 15-16, 2026** | 8:00 AM – 5:00 PM

**Hyatt Centric Fisherman's Wharf San Francisco**  
555 North Point Street, San Francisco, CA 94133

# WELCOME MESSAGE

Message from Dr. Dan Maixner, President of ISEN

On behalf of the International Society for ECT and Neurostimulation (ISEN), I am pleased to invite you and your organization to be part of our 2026 Annual Conference in San Francisco, California. This year, we are bringing together leading experts in electroconvulsive therapy (ECT) and neurostimulation for a dynamic event focused on advancing patient care, education, and research in the field.

The ISEN Annual Conference is a premier gathering for psychiatrists, clinicians, researchers, and healthcare professionals dedicated to the use of ECT and neurostimulation therapies in treating a range of mental health disorders. From major depressive disorder and bipolar disorder to catatonia and other treatment-resistant conditions, this conference offers a unique opportunity to explore the latest developments and best practices in these critical treatment modalities.

Our conference is designed to facilitate collaboration and networking among practitioners, educators, and researchers with sessions that cover clinical advancements, emerging technologies, and innovations in patient care. Attendees highly value this focused learning environment which allows them to connect with colleagues from around the world and engage in thought-provoking discussions.

We invite you to join us as an exhibitor or sponsor to showcase your organization's products and services to a targeted audience of professionals who are shaping the future of mental health treatment. With multiple opportunities for brand exposure, sponsorships provide a platform to enhance your visibility, support the advancement of the field, and foster meaningful connections with attendees.

By becoming involved with ISEN, you'll not only expand your reach but also contribute to the ongoing effort to improve access to and quality of ECT and neurostimulation therapies. Your partnership helps ensure that healthcare professionals are equipped with the knowledge and tools they need to provide life-changing care.

We look forward to welcoming you to San Francisco and to a successful 2026 ISEN Annual Conference.

Warm regards,

**Dan Maixner, MD**

President, International Society for ECT and Neurostimulation (ISEN)

## ABOUT ISEN

The International Society for ECT and Neurostimulation (ISEN) is a global organization advancing the safe, ethical, and effective use of Electroconvulsive Therapy (ECT) and other neurostimulation treatments. Since 1976, ISEN has been a leading voice in education, training, research, and advocacy in mental health treatment. ISEN's mission is to strengthen the practice of ECT and neurostimulation by fostering collaboration, delivering cutting-edge education, and advocating for high standards of patient care.

Through these efforts, ISEN ensures patients receive the most advanced and effective treatment options. *ISEN is proudly managed by Nisha Media Leadership Solutions.*

### Key Activities of the society include:

- ✓ Publishing *The Journal of ECT*
- ✓ Recognizing Fellows and Distinguished Fellows of the Society
- ✓ Hosting the ISEN Annual Meeting and Scientific Program
- ✓ Offering world-renowned ECT certification courses
- ✓ Organizing task forces, webinars, and panels on critical issues
- ✓ Providing educational webinars and programming, including CME opportunities
- ✓ Providing Virtual Training Courses
- ✓ Advocating for global access to neurostimulation treatments

## TOP 10 REASONS TO SPONSOR ISEN

### 1 INTIMATE AND TARGETED ENGAGEMENT

Participate in a focused conference with a smaller, specialized audience of psychiatrists and neurostimulation experts, fostering meaningful connections and in-depth conversations.

### 2 DIRECT ACCESS TO DECISION-MAKERS

Connect with leading professionals in ECT and neurostimulation who influence clinical practices and research.

### 3 HIGH-IMPACT VISIBILITY

Gain premium exposure through event signage, digital platforms, and printed materials at this globally recognized conference.

### 4 NETWORKING OPPORTUNITIES

Build lasting relationships during dedicated exhibit hours, receptions, and interactive sessions with attendees.

### 5 SHOWCASE INNOVATIONS

Present your products and services to an engaged audience actively seeking cutting-edge solutions to advance mental health treatments.

### 6 SUPPORT SPECIALIZED EDUCATION

Align your brand with ISEN's mission to provide top-tier education, training, and advocacy in ECT and neurostimulation.

### 7 GLOBAL REACH

Position your organization in front of a diverse, international audience of clinicians and researchers, while benefiting from the close-knit atmosphere of a smaller conference.

### 8 EXCLUSIVE SPONSORSHIP BENEFITS

Enjoy tiered sponsorship perks, such as branded materials, keynote acknowledgments, and complimentary registrations.

### 9 BOOST BRAND CREDIBILITY

Enhance your reputation by associating with a respected organization committed to advancing mental health care.

### 10 SHAPE THE FUTURE OF NEUROSTIMULATION

Be part of a movement driving innovation in patient care and transforming treatment outcomes in neurostimulation.
