

# AffinityCE

## ISEN 2022 Annual Meeting

Virtual Live CE Activity. Release Date: **April 23–24, 2022**

### Continuing Education Information

This continuing education activity is provided through collaboration between ISEN and AffinityCE. This activity provides continuing education credit for physicians and psychologists.

#### Learning Objectives

At the end of this activity, participants should be able to:

- Describe the implications of the laws that restrict access to electroconvulsive therapy for patients who lack decision-making capacity and the ethical implications of such laws.
- Review thoughtful conversation process and collective action toward improving equity in ECT care.
- Describe how changes in heart rate variability can be helpful in finding the accurate target for TMS.
- Describe how different depression symptoms may require different brain stimulation targets.

#### Disclosures

AffinityCE staff, ISEN staff, planning and review committees have no relevant financial interests to disclose.

#### Faculty Disclosures

##### **Maryssa Gilbert M.A., R.D.**

- Presentation references the use of deep brain stimulation and adaptive brain implants for the use of treatment-resistant depression, which as of date are not FDA-approved for the treatment of depression and are still undergoing clinical trials.

- Scientific consultant and shareholder: Magnus Medical
- Educational speaker: PsychU.org (sponsored by Otsuka, unbranded)
- Unapproved drug or product uses: Data on emerging circuit based TMS targets for various disorders that have not yet been tested in clinical trials, including PTSD, addiction, and anxiety.

### **Mitigation of Relevant Financial Relationships**

AffinityCE adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers, or others, are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity. All relevant financial relationships have been mitigated prior to the launch of this program to participants.

### **Physicians**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and ISEN. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this live activity for a maximum of 8.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Psychologists**

AffinityCE is approved by the American Psychological Association to sponsor continuing education for psychologists. AffinityCE maintains responsibility for this program and its content.

This activity provides up to 8.75 hours of CE Credit. The instructional level of this activity is intermediate. The cost to participate in these CE sessions is included in the registration cost for the activity.

### **Other Professionals**

All other health care professionals completing this continuing education activity will be issued a statement of participation indicating the number of hours of continuing education credit. This may be used for professional education CE credit. Please consult your accrediting organization or licensing board for their acceptance of this CE activity.

### **Commercial Support**

No commercial support was provided for this activity.

### **Participation Costs**

The cost to participate in these CE sessions is included in the registration cost for the conference.

## **CE Inquiries**

For all CE policy-related inquiries, please contact us at [ce@affinityced.com](mailto:ce@affinityced.com).

Send customer support requests to [cgs\\_support+isen@affinityced.com](mailto:cds_support+isen@affinityced.com).

## **ISEN 2022 Annual Meeting**

Registration for the Conference does not establish an account in the CE Center or automatically provide continuing education credit. You must sign into the CE Center site, evaluate the content of the activity to earn CE credit.

1. Please access the URL: [isen.cds.pesgce.com](http://isen.cds.pesgce.com)
2. Select the activity: **ISEN 2022 Annual Meeting**
3. Enter an e-mail address and password to begin setting up your profile. Select "I Forgot My Password" if you need to reset the password you set up.
4. Verify, correct, or add your information.
5. Proceed to view the content, examine any images and/or multimedia features, and review the content presented within all the links provided.
6. Proceed to complete the evaluation for the activity.
7. Upon successful completion of the evaluation, you can download your CE certificate. Your CE record will also be stored here for later retrieval.
8. The website is open for completing your evaluation for 30 days after the event.
9. After the web site has closed, you can come back to the site at any time to print your certificate, but you will not be able to add any evaluations.

Please send any customer support requests to [cgs\\_support+isen@affinityced.com](mailto:cgs_support+isen@affinityced.com).
